

**CANDIDATE FOR TOWN COUNCIL MEMBER  
TOWN OF APPLE VALLEY**

**NAME: PETER ALLAN**

**OCCUPATION: College Professor/Attorney**

I am a candidate for the Town Council because I feel that I can bring my education and experience to the council and help to make Apple Valley a better place to live.

I serve on the Apple Valley Planning Commission and I have consistently voted for projects that create value to the applicant and to the residents of Apple Valley.

I hold degrees in Economics, Business Administration and Law. I am a Professor at Victor Valley College and I have served as Vice-President of Instruction at the College. I am also an attorney and I have my own small law practice. I believe that our residents should be safe in their homes, and I fully support law enforcement. .

I oppose Mello-Roos financing in Apple Valley, I support the Town's position on Measure N and minimum half acre lots and I want to attract retail development to our town to stem the flow of sales tax revenue from Apple Valley to neighboring cities.

Additionally, I want to see more road improvement projects, water conservation incentives and an increase in the use of wastewater by supporting the Town's sewer distribution plan.

Please vote for me on November 7<sup>th</sup>.
